No additional information is given regarding the genealogy of Jacob Truax.

In Lea Blackman's *History of Little Egg Harbor Township, Burlington Co. N.J., from it's First Settlement to the Present Time*, 1868 we have a different story. On page 248 Blackman states that "Samuel Falkinburg's second wife was Hannah, widow of Jacob Truax. There is evidence that Hannah had a daughter Rachel, by this marriage in the 1850 Census. Captain Samuel has died by the time this census was taken, and Rachel Truax is listed in the Family of Hannah Falkinburg. This is not proof positive since Rachel could be a relative living with Hannah, but it is likely that Rachel is Hannah's daughter by Jacob Truax..
