The 1880 Census also indicates that Mary Boyle (born in Ireland ABT 1814) lives with the family. This is Mary Boyle Falkinburg's mother.

We would like to find the connection of this George H. Falkinburg to the family descended from Henry Jacobs Falkinburg.

The birthdate of George Falkinburgh is correct (ABT 1841)
Crawford County is in NW PA about 70 miles from Butler Co.
This seems like a plausible family origin for George H. Falkinburg

The birthplace of both John and Mary Falkinburgh is listed as PA
John's profession is given as wool carder (or wood carver)

So far I have not been successful in finding any records for any family members in the 1860 or 1870 census.

Is The John Falkinburg (age 45 in 1850 census; b ABT 1805) descended from [John Falkinburg](#) (b. 9 NOV 1739 in Little Egg Harbor, Burlington, NJ)?

All data in this table is from David Absalom's original set of notes unless otherwise stated.			

The third son of John and Mary Falkinburg named John was born 12 DEC 1767. He married Catherine Hatfield (born in Middle Paxton Township, Dauphin County, PA--this is just about 17 miles from the home of John's parents) and died MAR 1832 in Woodcock Twp., Crawford Cnty., PA. This is the same county in which we find the 1850 record of George W. and his father John (b. ABT 1805).

[David Absalom did the definitive research](#) on John Falkinburg.

"John," [he is referring to John the son of John in the preceding table] "was born December 12, 1767 and died intestate in March 1832 at Woodcock Township, Crawford County, Pennsylvania. John Falkinburg married Catherine Hatfield of Middle Paxton Township, Dauphin County, between 1794 and May 1799. Catherine Falkinburg died in 1837. They removed to Crawford County, Pennsylvania, where they were among the early pioneers of Woodcock Township during the first

decade of the nineteenth century or earlier. John and Catherine Falkinburg are known to have had four children. The identified children were John, Joseph, Jay J., Samuel, and Catherine.”

It is not clear to me what the reference is for this material in Absalom’s work. I had some contact with him a number of years ago, but have not been able to reach him in the past couple of years.

From Woodcock Township History 1885

Other pioneers of the township who came during the first decade of this century or earlier were: John Faulkenburg....

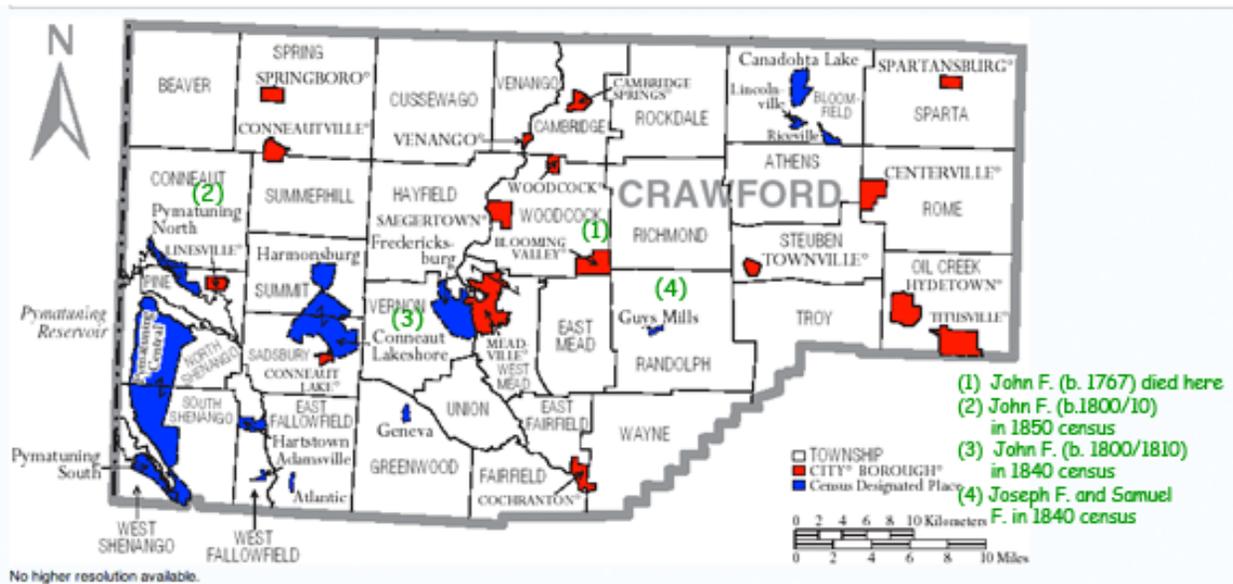

The 1840 Census shows three Falkinburg families in Crawford Cnty.

John Falkinburg (b. 1800 BET 1810) PA, Crawford, Vernon twp.

Joseph Falkinburg (b. 1800 BET 1810) PA, Crawford, Randolph twp.

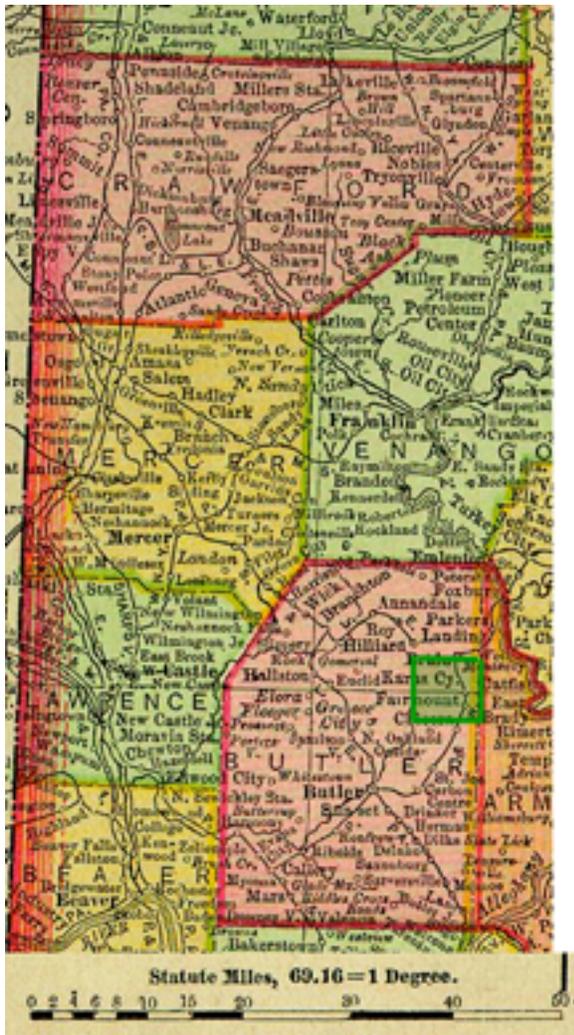

Samuel Falkinburg (b. 1810 BET 1820) PA, Crawford, Randolph twp.

My hypothesis is that John (b. 1800/1810), Joseph (b. 1800/1810) and Samuel Falkinburg (b. 1810/1820) are brothers and the sons of John Falkinburg (b. 1767). I am guessing that the pedigree of George H. Falkinburg looks like the following.

The relationship between Butler County (1880 Census that includes John and George H. is shown on the next page.

Fairview Township in Butler County is shown outlined and shaded in green in the map at the left.

1	John Falkinburg (b. 9 NOV 1739 NJ, Burlington, Little Egg Harbor) (d. JAN 1786, PA, Cumberland, Rye) Mary Somers (b. 28 FEB 1742/3 NJ, Great Egg Harbor) (d. 9 AUG 1825)
2	John Falkinburg (b. 12 DEC 1767 NJ, Burlington, Little Egg Harbor, d. MAR 1832 , PA, Crawford, Woodcock) Catherine Hatfield (m. 1794 BET 1799 PA, Dauphin, Middle Paxton Twp.)
3	John Falkinburg (b. 1800 BET 1810) Mary Unknown
4	George H. Falkinburg (b. ABT 1841) married Mary L. Boyle
3	Joseph Falkinburg (b. 1800/1810)
3	Samuel Falkinburg (b. 1810/1820)
3	Jay J.
3	Catherine

The three sons listed in generation 3 in the table above have the same given names as John (b. 1767) and two of his brothers.

Other Miscellaneous Data

Mary C. Falkenburg (daughter of John Falkinburg. , an old settler of this county) married James Fetterman (b. abt 1770) (m. 1852)

[VENTURA COUNTY 1890 GREAT REGISTER](#)

George H. Falkinburg age 48 is listed with a registration date of Sep 14, 1888. He is listed as being born in PA and his occupation is given as Oil Driller. It may be of some importance to note that the area of PA where the family had resided is "oil country". It may be that George had experience in PA and found an opportunity to go to CA to become in the new oil industry there.
